

Terms and conditions for getting an O2 karta from the website

These terms and conditions are meant to help our non-Czech customers understand the terms of service. Please refer to the Czech version of this page for the complete, legally binding terms and conditions.

An O2 karta (prepaid SIM card) ordered via web form is delivered free of charge (the customer does not even pay postal fees) and it does not include any initial credit. In order to use it, it must be charged first (link to: http://www.cz.o2.com/osobni/volani_a_tarify/predplacene_tarify/dobijeni/index.html).

Delivery of up to three free O2 karta is conditioned by the correct completion of the form and entry of the correct verification code. An order is usually carried out within 10 days of submission of the web form.

Enjoy your new O2 NA!PIŠTE card and choose the extra NA!VÍC benefit that suits you best!

You get discounted texting, calling, and surfing with your new O2 karta. We will also reward you for something you are doing already – recharging your credit.

Every time you recharge your credit with at least CZK 300, you get **100 free SMS messages** to O2 mobile numbers and you can also **call for 0.50 CZK/min, send SMS messages for CZK 0.50 each, or surf for CZK 20 per week** for a period of four weeks.

Choose the benefit that meets your needs the most:

- weekend calling to O2 mobile numbers for 0.50 CZK/min
- weekend SMS messages to O2 mobile numbers for CZK 0.50
- evening calling from 8pm to 8am to O2 mobile numbers for 0.50 CZK/min
- Internet on Your Mobile for CZK 20 per week

Within six hours of recharging your credit, choose the advantage that you want to use for the next four weeks and send a corresponding SMS:

- for weekend calling send an SMS with the keyword **VV** to the phone number **999 111**
- for weekend SMS messages send an SMS with the keyword **VS** to the phone number **999 111**
- for evening calling send an SMS with the keyword **VECER** to the phone number **999 111**
- for Internet on Your Mobile send an SMS with the keyword **INT** to **999 111**

If you want to try another benefit:

- you can change your benefit with each new credit recharging of at least CZK 300
- if you do not choose a new benefit, the previous benefit will be activated automatically for you

O2 NA!PIŠTE tariff prices:

- price per SMS CZK 1.90
- rate for calling all networks 6.50 CZK/min
- price per MMS CZK 5.90

Offer valid from April 1, 2009, while supplies last. All prices include VAT.
